

2019 Built by the Best Award-Winning Supplier Profiles

These are the companies integral to the success of the winning project.

ALL WEATHER INSULATED PANELS

With over 90 years of combined industry experience, All Weather Insulated Panels is an innovator in the design, construction and advancement of insulated metal panels to meet the growing challenges facing the building industry. www.awipanel.com

CASCADE ENERGY

Cascade Energy, the nationally recognized leader in industrial refrigeration energy efficiency, works with corporations, utilities and industry associations to improve energy planning, engineering and management. With deep technical expertise, a full complement of services and more than twenty years of hands-on experience, Cascade has a proven track record of reducing industrial energy consumption and costs. www.cascadeenergy.com

CROWN

Crown is one of the world's largest material handling companies with a reputation for award-winning product design, advanced engineering and technology, and superior after-sale service. Crown's business philosophy utilizes vertically integrated processes to design, manufacture and distribute forward-thinking, innovative solutions that improve customers' productivity and operating efficiency. Crown produces a broad range of forklifts as well as automation and fleet management technologies. The company's global headquarters is located in New Bremen, Ohio, USA, with regional headquarters in Australia, China, Germany and Singapore. Its employees number more than 15,500 worldwide. Crown operates a service and distribution network that exceeds 500 retail locations in over 80 countries. www.crown.com

CSI OF VIRGINIA, INC.

CSI of Virginia is a group of companies promoting and selling insulated panels and doors to build coolers, freezers and non-refrigerated

buildings. We are the exclusive U.S. Distributor for General Plastics R-9300 Thermal Isolation Blocks, AWIP Insulated panels, Eco-Cold Low Temperature doors, Owens Corning extruded polystyrene floor and roof insulation, and high speed rolling doors for low temperature applications. In addition we inventory aluminum tees for ceiling suspension available for immediate shipment. We work with a network of low temperature and refrigeration contractors that specialize in insulated panel construction. Affiliated Offices: Albany, NY; Richmond, VA; Atlanta, GA; Jacksonville, FL, Dayton, OH; Dallas, TX; Houston, TX. www.csiinc.org

DANFOSS

Our uncompromising focus on quality, reliability and innovation allows us to help our customers create a more sustainable world by delivering smart and energy efficient products, services and solutions. Across the world, our sustainable smart technologies power industries and cities, secure a reliable food supply, and create healthier, more comfortable indoor climates. They drive the uptake of renewables for tomorrow's smart energy systems, where shipping and on- and off-highway machinery are powered by hybrid and electric motors. www.danfoss.com

DOW BUILDING SOLUTIONS

Dow Building Solutions serves the global building, construction and related markets with industry-leading insulation, house-wrap, sealant and adhesive products, as well as complete systems. Through its extensive manufacturing, sales and technical support organization, Dow Building Solutions continually creates novel solutions for improved energy efficiency in buildings today, while also addressing the industry's emerging needs and demands. www.dupont.com/building.html

DUPONT

After more than 200 years of innovation, DuPont is entering a new era of discovery. Our community of scientists, engineers, visionaries and all of our partners are working every day to turn possibilities into real world answers that help humanity thrive. Explore how DuPont is shaping a better world. www.dupont.com

EVAPCO INC.

International manufacturers of Low Charge Ammonia Packages, Evaporative Condensers, Evaporators, Cooling Towers, Closed Circuit Coolers, Heat Exchangers, Recirculation and Transfer Systems. Plants located in Taney-

town, MD; Greenup, IL; Bryan, TX; Madera, CA; Lake View, IA; Milano and Sondrio, Italy; Johannesburg, South Africa; Kingsgrove NSW, Australia; Shanghai and Beijing, China; Tongeren, Belgium; and Flex coil a/s Aabybro, Denmark. www.evapco.com

FASTENER SYSTEMS, INC.

Specializing in fasteners for all types of cold storage, food processing & refrigerated warehouses. Stocking stainless, self-drilling, self-tapping, ZACS® and explosion release fasteners. FABLOKS®, long length teks and roofing screws in stock. Tools, accessories, INSTA-FOAM®, tapes, caulks and butyl. The originators of POLARFAST®, the concealed panel screw. Fast overnight delivery. www.fastenersystems.com

FRICKS COMPANY

Industrial concrete floor contractor providing superior workmanship and outstanding customer satisfaction. The Fricks Company is the recognized leader in premium food facility, manufacturing and distribution facility floor construction. www.fricksc.com

HANSEN TECHNOLOGIES

Hansen Technologies offers an extensive line of components for industrial refrigeration systems including control valves, pressure relief valves, refrigerant pumps, air/water purgers, defrost and level controls, and gas leak detection. Look to the leader for innovative products, excellent customer service and outstanding technical support. www.hantech.com

HONEYWELL

Enovate® 245fa blowing agent is today's preferred choice for superior insulation performance with HFC technology from Honeywell, a world leader in energy management. Honeywell recently introduced Solstice®, the next generation of low global warming, high energy efficiency foam blowing agents and refrigerants engineered to enhance metal panel, spray insulation, and appliances with advanced thermal performance and energy savings using state-of-the art HFO technology. Contact Honeywell for more information. www.honeywell.com

JOHNSON CONTROLS

At Johnson Controls, we transform the environments where people live, work, learn and play. From optimizing building performance to improving safety and enhancing comfort, we drive the outcomes that matter most. We deliver our promise in industries

such as healthcare, education, data centers and manufacturing. With a global team of 105,000 experts in more than 150 countries and over 130 years of innovation, we are the power behind our customers' mission. Our leading portfolio of building technology and solutions includes some of the most trusted names in the industry, such as Tyco®, York®, Metasys®, Ruskin®, Titus®, Frick®, Penn®, Sabroe®, Simplex®, Ansul® and Grinnell®.
www.johnsoncontrols.com

LIFTMASTER

LiftMaster is the number one brand of professionally installed residential garage door openers, as well as a major manufacturer of commercial door operators, residential and commercial gate operators, telephone entry systems and related access control products. Driven by the access and security needs of the marketplace, LiftMaster's expansive line of state-of-the-art residential and commercial products are designed to fit any lifestyle or application, providing the latest technology and innovations in safety, security and convenience. www.liftmaster.com

M & M REFRIGERATION

M&M Refrigeration Inc., founded in 1969, designs and manufactures Screw compressor packages (over 70 Models), Piston compressor packages (28 Models 6 High Pressure), CO₂ Cascade Systems, Pump recirculation packages, Pressure vessels of all sizes, Ice Rink packages, Microprocessor control systems, Chiller packages, and System design. Professional Service Technicians and Parts are available 24 hours a day, 7 days a week.
www.mmrefrigeration.com

METL-SPAN

Manufacturers of Factory Mutual Class I polyurethane foamed-in-place panels and polystyrene laminated insulated panels for the construction of cold storage, freezer, food processing and meat plants. Metl-Span also supplies panels for ambient buildings for commercial and industrial use. Find out why Metl-Span makes the most thermally efficient panels available today. www.metlspan.com

OWENS-CORNING FOAMULAR

Owens Corning Foamular® extruded polystyrene insulation is a high density insulation designed for use in engineered applications requiring high thermal performance, high load bearing capability and low water absorption. Owens Corning's Foamular® is an extruded polystyrene, closed cell panel foam with continuous skin and back surfaces.

Owens Corning's patented Hydrovac® process technology makes the unique closed cell structure of Foamular® insulation highly resistant to moisture, retaining excellent R-value year after year, even following prolonged exposure to humidity, condensation, ground water and freeze thaw cycling. Owens Corning Foamular® extruded polystyrene is ideal for under slab, cold storage applications concrete floors and roofs requiring high load bearing applications. Foamular® is also the preferred extruded polystyrene for use as pipe insulation for ammonia refrigeration lines.

RITE-HITE CORPORATION

Rite-Hite® is a world leader in the manufacture, sale, and service of loading dock equipment, industrial doors, safety barriers, HVLS fans, and more innovative products. We offer several products designed specifically for the cold storage industry, including high-speed doors, insulated curtain walls and loading dock equipment. Rite-Hite works closely with each customer to meet their needs. Our Global Distribution Network means there is a local representative near by to provide solutions, service, and expertise at the loading dock, and inside the facility. www.ritehite.com

S & S REFRIGERATION

General refrigeration contractor specializing in design and construction of walk-in coolers and freezers, serving food, beverage, pharmaceutical and specialty markets for over 60 years. www.ssrefrig.com

CHASE DOORS (A SENNECA COMPANY)

Attention to environmental control can be critical. A variation of a few degrees can make a big difference in your cold storage and freezer applications. Chase Doors minimizes that difference with Cold Storage Doors, Insulated Impact Traffic Doors, Strip Doors, Insulated Corrosion-Resistant Doors, Fiberglass Doors and Fire Doors. All products are custom manufactured to your exact specification and provide years of trouble free service. www.chasedoors.com

UPS FREIGHT

GCCA has partnered with UPS Freight to create the Association Shipment Program which offers specialized pricing discounts for members on qualifying LTL (Less-Than-Truckload) shipments. Take advantage of the pricing discounts by contacting the association hotline at 866.443.9303 ex. 4080 or email upsfreightassociations@ups.com. Just mention

you are a member of GCCA to qualify for the discount program. Enrollment in the program is free, with no obligations or minimum shipping requirements. The UPS Freight Savings Program applies to shipments weighing 150 lbs to 20,000 lbs that are shipments billed collect to your company, prepaid shipments from your company, and shipments billed to your company as a third party.

VICTAULIC

Since 1919, Victaulic has been the world's leading producer of grooved mechanical couplings and pipe-joining systems. Used in the most demanding markets, Victaulic innovative piping technologies put people to work faster while increasing safety, ensuring reliability and maximizing efficiency. The company has 13 major manufacturing facilities, 28 branches worldwide and over 3,600 employees who speak 43 languages across the globe. With more than 1,900 patents, Victaulic solutions are at work in 140 countries across diverse business lines including oil and gas, chemical, mining, power generation, water and wastewater treatment, military and marine, as well as commercial building and fire protection.
