OUR MISSION

# WE KEEP YOU GOING.

## NO MATTER WHAT CHALLENGES YOU. WE KEEP YOU GOING.

We are outerwear experts specializing in garments that protect you from the cold. We make sure that all who work extremely hard can keep going. The experience we have acquired over our many years in this business has taught us that jobs in refrigeration and logistics industries work you to the bone.

Therefore, our products always provide the real warmth.

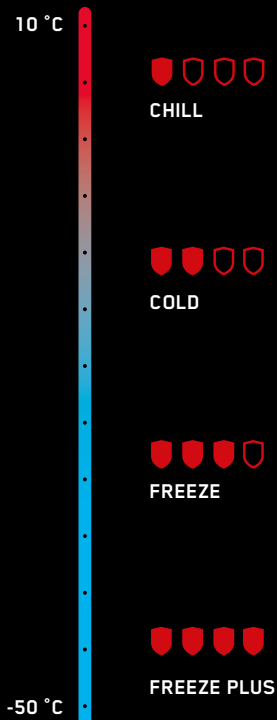

Our garments are lightweight, flexible as well as comfortable.

They come with all the details that make a huge difference on the job. This makes them ideal for working effectively and efficiently under the toughest conditions.

Our customers – companies in the food industry – appreciate our know-how and service. Thanks to our excellent customer service and qualified on site advice, our company enjoys an excellent reputation and close relationships with its clientele. Our strengths are instantly evident whenever we have to meet diverse specifications and deliver custom-tailored products.

TEMPERATURE

ALWAYS  
PROTECTED  
AGAINST  
COLD.

### FOR REAL WARMTH.

We know the challenges people face every day as they battle the cold to work faster and harder, to achieve more. That's why our garments don't just offer practical details and a fashionable look. They provide the most important benefit: Real warmth.

Real warmth comes from the inside and feels good. Our garments are lightweight, flexible and comfortable. They always deliver real warmth because they work in synchronicity with the body's natural heat.

To all you workers out there: We keep you going!
