GCCA GLOBAL POLICY FORUM
VIRTUAL MEETING
9-11 AUGUST 2022

Examples of GCCA Engagement: Supply Chain

- Multiple meetings with White House and USDA
- Written comments to USDA on supply chain review
- Cold Chain specially included in pandemic and supply chain programs
- Secured USDA support for Port of Houston
- Multiple Congressional briefings and written testimony for House Agriculture Committee hearing
- Ocean Shipping Reform Act
- Written comments to Canadian government and meeting with National Supply Chain Task Force

Biden Administration Actively Pursuing Regulatory Change

Examples:

- EPA Risk Management Program (RMP) – Proposed Rule released – similar to Obama era policies
- OSHA Process Safety Management (PSM) – Continuation of rulemaking begun by Obama Administration
- FDA Food Safety Modernization Act (FSMA) – Food Traceability Final Rule expected in early November
- DOL/NRLB – Multiple labor policy changes
