

A man in a black winter jacket and beanie is operating a red pallet jack in a cold storage warehouse. In the background, another worker in a bright green jacket is visible. The scene is dimly lit, emphasizing the cold environment.

RefrigiWear®

MASTER THE COLD

Every step of the cold chain means tough jobs in rough conditions. At RefrigiWear, we're honored to have been protecting these essential workers for over 65 years. We don't just make jackets and bibs that keep workers warm in a range of conditions down to -60°F. We also offer gloves, footwear and headwear for total body protection. With RefrigiWear, your employees don't just work in the cold. They have the industry leader in cold protection on their side. **Master the Cold™** with RefrigiWear.
